3rd Scientific TCM Congress

Explore current
TCM research.

Learn new
techniques.

Network with
experts and peers.

**August
14th to 17th,
2025**
Bad Zurzach,
Switzerland

From science to clinical practice.

Where traditional wisdom meets modern research.

Based on the good experience from our last Scientific TCM Conferences, we are **pleased to invite you to our 3rd Scientific TCM Congress.**

Our scientific program will address **current research findings** in TCM and will focus on **studies in patients.**

It is a great opportunity to learn new TCM techniques in practical courses as well as a **unique platform for scientific exchange** and networking opportunities among experts, practicing physicians, therapists, researchers and students interested in TCM.

Organizers & Partners

We thank our partners and guest-organizers who help us in making this congress happening:

Guest-organizers

Partners

The first TCM university in Europe.
